Creation of Customer Group	3
Assignment of Groups to Customers	6
Assignment of Groups to Users	8

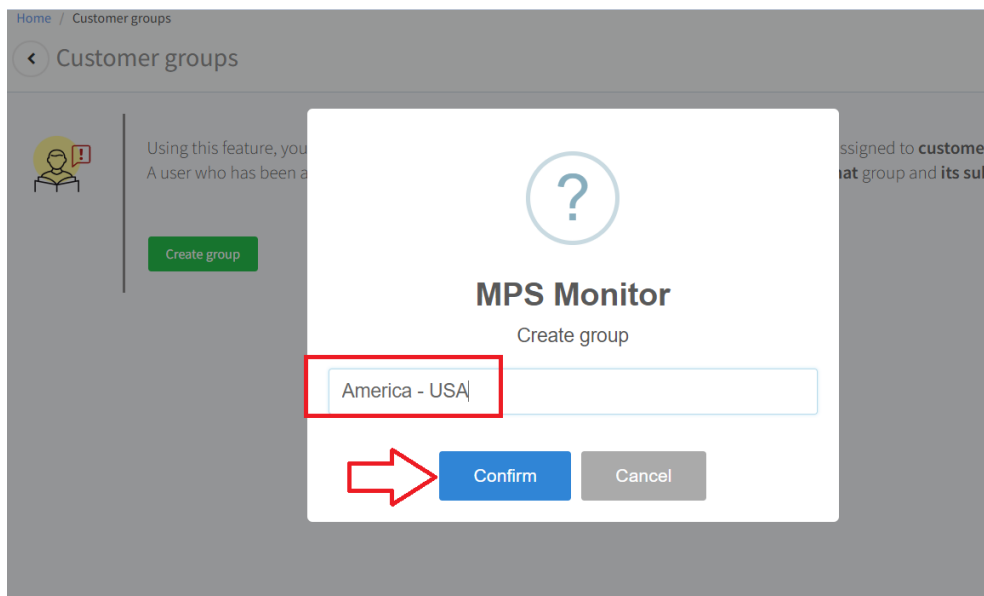

Creation of Customer Group

To create **Customer Groups**, click on the '**Dealer Settings**' menu - '**Customer Groups**', then on the '**Create Group**' button:

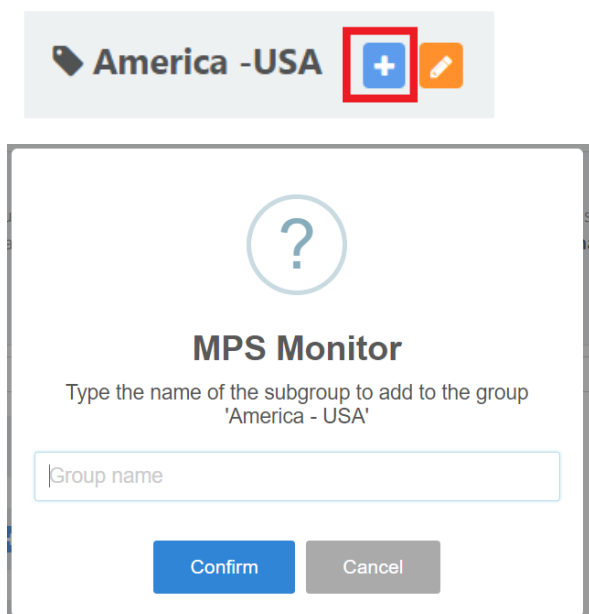

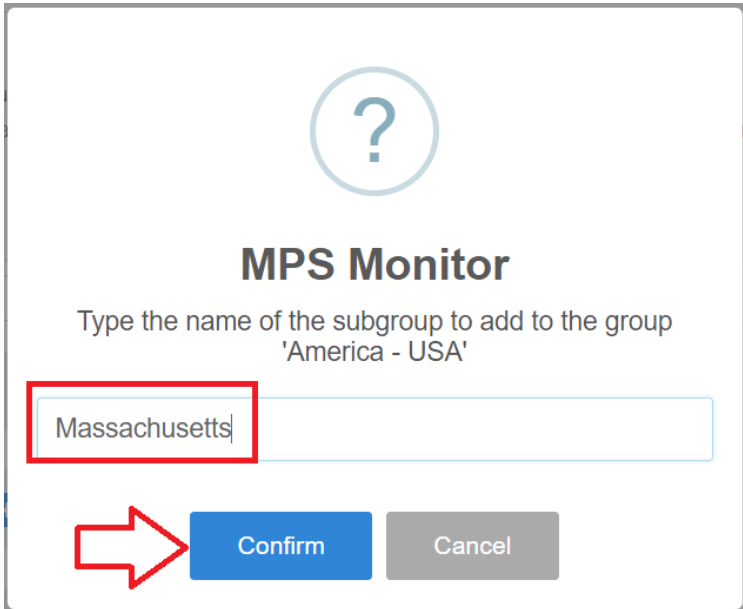

Enter the group **name** and click '**Confirm**':

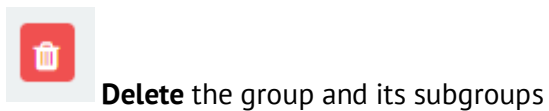

To add **subgroups** to the newly inserted group click on the '+' button:

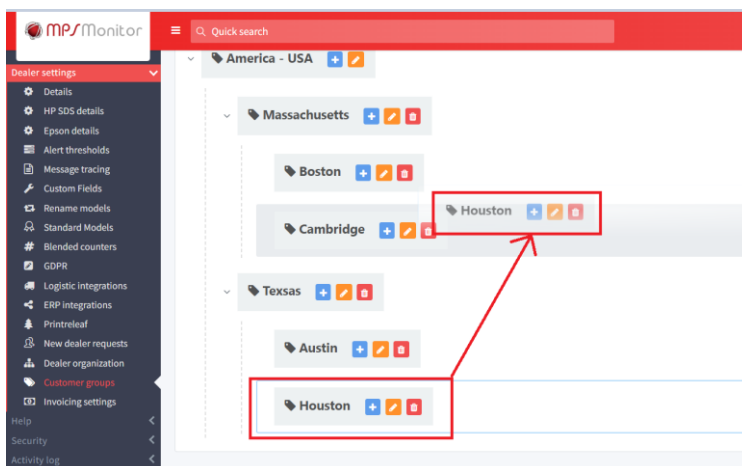

A dialog box for adding a new subgroup. At the top is a large question mark icon. Below it, the text "MPS Monitor" is displayed. Underneath, it says "Type the name of the subgroup to add to the group 'America - USA'". A text input field contains the word "Massachusetts". Below the input field are two buttons: "Confirm" (blue) and "Cancel" (grey). A red arrow points from the left towards the "Confirm" button.

You can **edit** and **delete** created groups and subgroups by clicking on their icons:

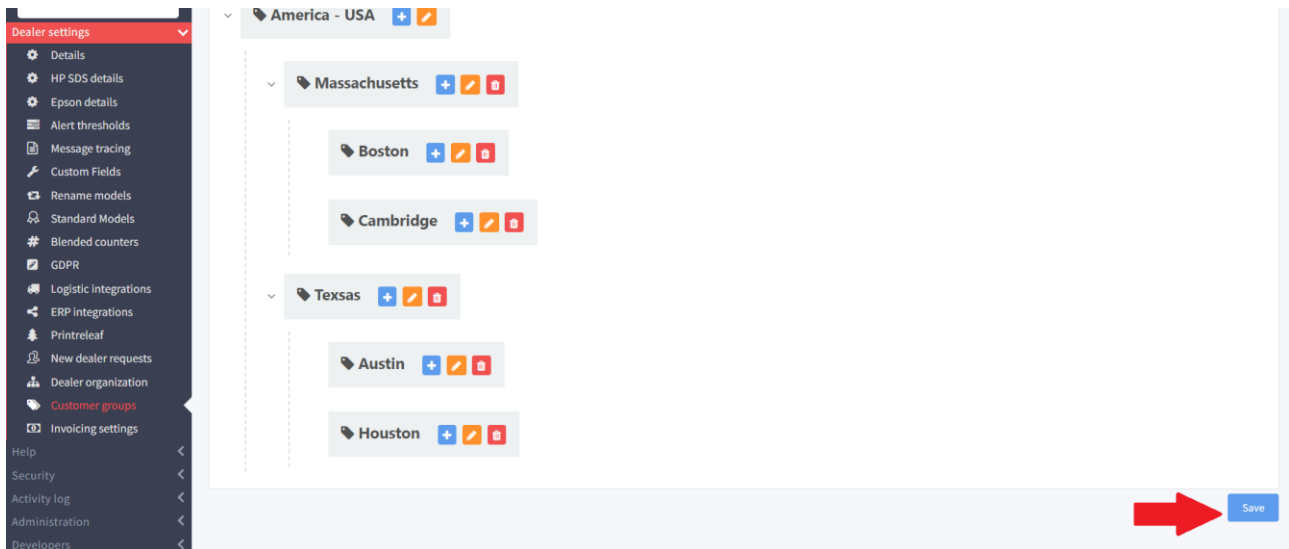

Moving a group is possible by simple drag and drop:

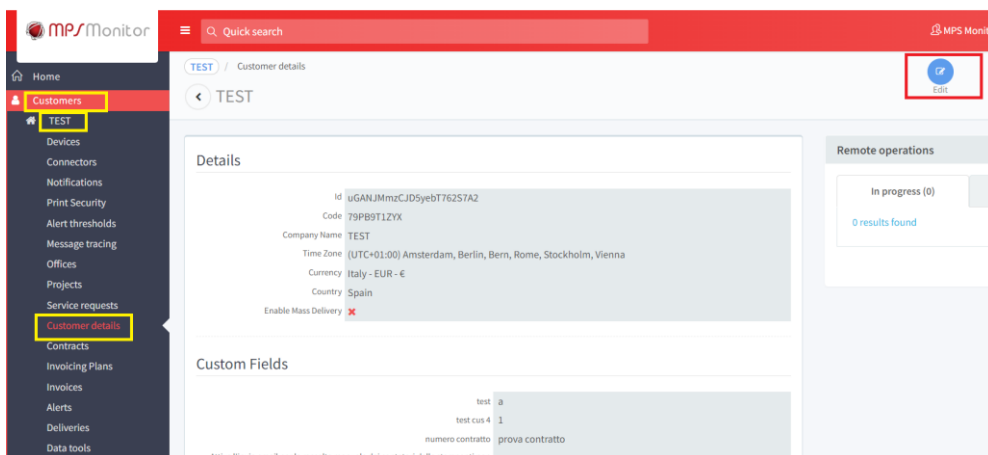

NB: Once you have made the changes, click on the **'Save'** button.

Assignment of Groups to Customers

To associate one or more groups with customers, click on the **'Customer Details' - 'Edit'** menu.

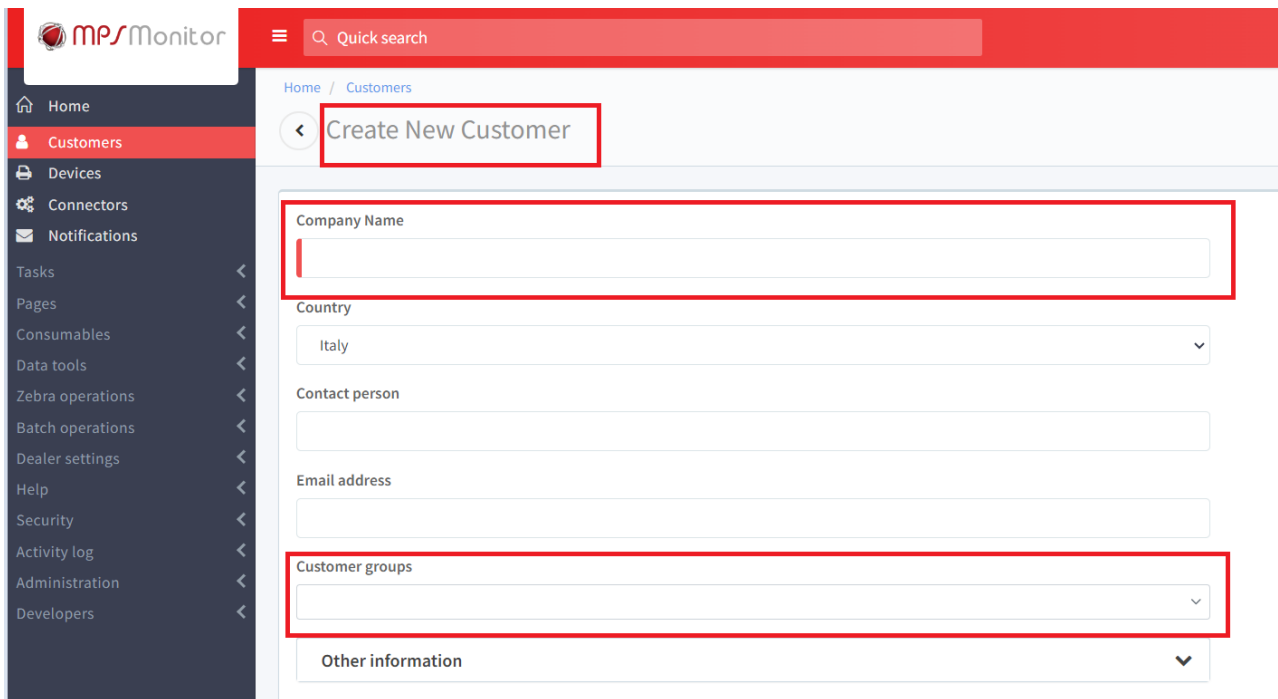

Then select one or more groups and click on **'Save'**:

The screenshot shows the 'Customer details' form in the MPS Monitor application. The left sidebar contains navigation links: Home, Customers, TEST, Devices, Connectors, Notifications, Print Security, Alert thresholds, Message tracing, Offices, Projects, Service requests, Customer details (highlighted), Contracts, Invoicing Plans, Invoices, Alerts, Deliveries, Data tools, and Devices. The main form area includes fields for Notes, Time Zone (UTC+01:00), Currency (Italy - EUR - €), Country (Spain), External identifier, Customer groups (highlighted with a red box), Enable Mass Delivery, Other information, and Custom Fields. The 'Customer groups' dropdown is open, showing a tree structure: America - USA, Massachusetts (with sub-items Boston and Cambridge), and Texas (with sub-items Austin and Houston).

The same operation is also possible when **creating a customer**:

The screenshot shows the MPS Monitor dashboard. The top navigation bar includes the MPS Monitor logo, a search bar, and the user profile 'MPS Monitor srl'. The main content area is titled 'This is your MPS Monitor Dashboard'. Below this, there's a section 'Installed Device Fleet' with four cards: Customers (46 Active customers, 22 with HP SDS, 25 Inactive), Devices (302 Managed devices, 44 with HP SDS, 203 New, 46 Unmanaged), Connectors (80 Unconnected, 17 with HP SDS), and a 'Create a customer' button highlighted with a red box.

Assignment of Groups to Users

To assign customer groups to an existing **User**, click on the '**Security**' - '**Users**' menu.

Then click on the username, then on '**Edit**', select one or more groups and click on '**Save**':

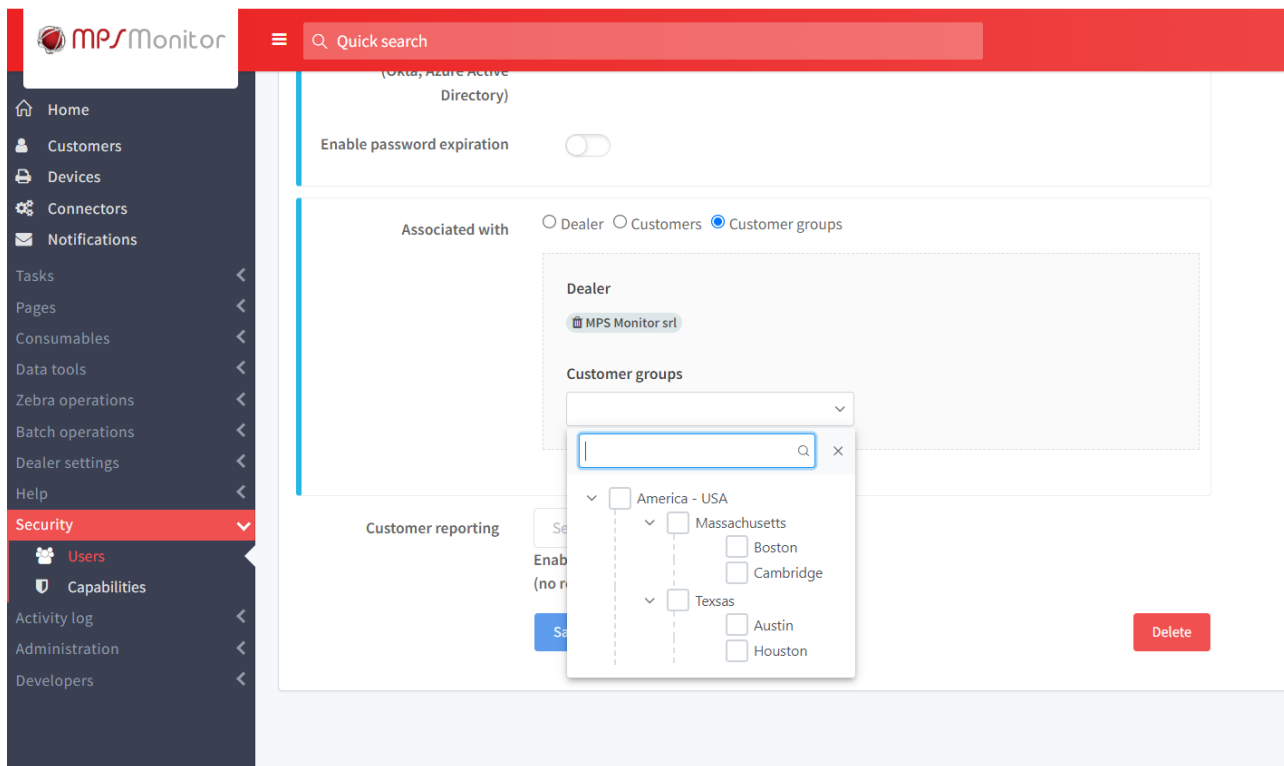

The screenshot shows the MPS Monitor web interface. The left sidebar contains a menu with items: Home, Customers, Devices, Connectors, Notifications, Tasks, Pages, Consumables, Data tools, Zebra operations, Batch operations, Dealer settings, Help, Security (highlighted), Users (highlighted), and Capabilities. The main content area is titled 'Users' and includes a 'Quick search' bar, a 'Create' button, and a 'SHOW FILTERS' button. Below these, there is a list of users. The first user entry is highlighted with a yellow box and contains the text 'Username TL'. The second user entry is highlighted with a green box and contains the text 'Auto login' and an email address 'a.s@v.com', which is pointed to by a red arrow.

The screenshot shows the MPS Monitor web interface with the 'User' details page. The left sidebar is the same as the previous screenshot. The main content area is titled 'User' and includes a 'Quick search' bar, a 'Sent access email' button, and an 'Edit' button (highlighted with a red box). Below these, there is a form with the following fields and values:

- Username: [redacted]
- Contact person: [redacted]
- Email address: [redacted]
- Capabilities set: [redacted]
- Language: English
- Active: ☒
- Require 2-factor authentication: ☒
- Require SSO authentication (Okta, Azure Active Directory): ☒
- Enable password expiration: ☒
- Enable receipt of notifications for new devices: ☒
- Dealers selected (Total: 2): MPS Monitor srl, MPS MONITOR UK LTD
- Customer reporting: All
